The Dorrance Family and the Scholarship Program

The Dorrance Family established the Dorrance Scholarship Program in 1999 to provide financial and academic support for Arizona’s eligible first-generation college students. The Program awards up to 36 scholarships annually to incoming freshman attending the state’s three public universities: Arizona State University (Tempe), Northern Arizona University (Flagstaff), and University of Arizona (Tucson). The scholarship and program value are estimated at more than $100,000. Scholarships are renewable based on academic achievement and exemplary participation in scholarship program activities.

Recipients of the Dorrance Scholarship are among the most fortunate students in Arizona: the scholarship affords opportunities not readily available to most college students.

Is the Dorrance Scholarship Right for Me?

Dorrance Scholars receive more than funding for college: this is a scholarship program. Students will meet regularly to explore the integration of learning, vocation, leadership and philanthropy. University and Program orientations preceding your college experience, and on-campus housing freshman and sophomore year, support your transition from high school to college. International travel and cultural events are signature features of the scholarship program that enrich college life.
ADVICE FOR DORRANCE SCHOLARSHIP APPLICANTS

Test Scores
The Dorrance Scholarship Programs (DSP) requires you to submit SAT, ACT, CLT, or PSAT test scores. If you took the PSAT as a junior, we recommend that you take one of the other three tests to reflect your learning since junior year. Need-based fee waivers are available for all three tests.

Demonstrating Financial Need: FAFSA
Financial aid is available—but only if you apply. Arizona’s universities and the Dorrance Scholarship Program require you to complete the Free Application for Federal Student Aid (FAFSA).
